FULL TIME ACADEMIC POSITION IN HEALTH AND CLINICAL PSYCHOLOGY
FACULTE DES SCIENCES PSYCHOLOGIQUES ET DE L’EDUCATION

Reference : 2019/A023
Deadline for submission : 01/03/2019
Start of activity : 01/10/2019

Job Description

Full-time academic position in the domain of clinical and health psychology
Research Domain: Clinical and Health Psychology

Scientific and teaching objectives:

To teach and develop research activities in the field of the clinical psychology of health. The research will be part of the activities of the Research Center in Clinical Psychology, Psychopathology and Psychosomatics.

The candidate will hold graduate and undergraduate degrees in psychology and psychosomatic psychology at different ages of life, including aspects of research intervention and methodology.

The candidate is expected to supervise undergraduate dissertations. The expected teaching load will be between 120h and 150h per year. It will however be smaller at the beginning of the term (90h).

Required degree

PhD in Psychology and Education, Medical Sciences or related field

Required skills

- You have a scientific seniority of 4 years minimum at the time of the engagement.
- You can report on a post-doctoral experience and have an excellent scientific record.
- If you have moved outside the institution where your doctorate was completed (during the doctoral period or later), this will be considered when evaluating your application.
- If you are not fluent in the French language (C1 level), you may be given an adjustment period, but you must be able to teach in French by the end of the third year that follows your appointment.
- Expertise in clinical psychology of health as attested by publications in international scientific journals.
- Experience in obtaining and in leading national and international research projects is an asset.
- An international presence attested by collaborations, editorial responsibilities, membership of learned societies and / or post-doctoral stays is desirable.
- Teaching skills will be considered in the evaluation of applications.
- Clinical experience with people with chronic conditions, including oncology, may be an asset.
Interested?

Further information can be obtained from the Dean of the Faculty, Professor Arnaud Destrebecqz (phone: +32 2 650 42 31 - email: adestre@ulb.ac.be) The application file must be sent in electronic format, by sending a single e-mail addressed to the Rectorate of the Université libre de Bruxelles (at the address recteur@ulb.ac.be) and to the Dean’s Office of the Faculty at the following address: DOYENPSY@admin.ulb.ac.be.

It should contain the following documents:

- An application letter
- A Curriculum vitae, including a list of publications (a standard template can be downloaded from the website: http://www.ulb.ac.be/tools/CV-type.rtf)
- Any relevant documents showing 4 years of research experience
- a 7,000-character report (4 pages) presenting the applicant’s research activities and a research project, including how these will integrate into ULB’s research teams
- a teaching dossier including a 7,000-character report (4 pages) on the applicant's previous teaching activities and a teaching project for the first five years in this position; these must be relevant to the faculty and to the teaching profiles for the programmes to which the applicant is to contribute
- a note on the applicant’s international achievements and projects (no more than 4 pages)
- the names and e-mail addresses of five referees (respecting the gender balance) who may be contacted by those in charge of evaluating applications. These referees should not have conflicts of interest because of family or emotional ties.

The appointment to the academic staff of ULB is made at “Premier Assistant” level, if the candidate has had a PhD for less than eight years (on 1 October of the year of appointment). If the candidate has had a PhD for eight or more years, on 1 October of the year of appointment, then the appointment is made at “Chargé de Cours” level. As of their appointment, members of academic staff are authorised to use the honorary title of “Professeur”.

By sending in their application, applicants acknowledge they have read and understood the additional information and the regulations relevant to academic staff, available at the following address http://www.ulb.ac.be/emploi/academique.html.
